BRIFF BECOMES THE FIRST BELGIAN FESTIVAL TO HOST THE *f*IPRESCI PRIZE

Exclusive: The 2022 edition of BRIFF will add a new award to the list: the **FIPRESCI Prize!** The BRIFF is the only Belgian festival in which this prize will be awarded..

The aim of the International Film Critics Awards (FIPRESCI Prize), awarded by the International Federation of Film Critics founded in **Brussels in 1930** and now active in more than 80 countries, is to **promote cinematographic art and encourage new and young cinema.**

It is awarded during international film festivals or during film festivals of special significance.

The **BRIFF** is honored to join some major festivals such as **Cannes, Venice, Berlin and Toronto.**

Note that **only the first films presented publicly within the three BRIFF competitions (International Competition, National Competition and Directors' Week)** will be eligible for the FIPRESCI prize, regardless of the section in which they are screened.
